Thank You,
Cisco ART Team

Environment: [redacted]

An email with the subject 'ART Access Granted' will be sent after the role is approved.

Click on the URL in the email to login to Cisco supply chain. BAAO (Business Analytics and Award Optimization) application will be listed under tools.

Bookmark this page after login.

<http://supplychain.cisco.com/#/>

The screenshot shows the Cisco Supply Chain Connection web application. At the top, there is a dark blue header with the Cisco logo and the text "Supply Chain Connection". Below the header, the main content area is light gray. On the left side, there is a navigation menu with "Partner Connection" and "Tools". Under "Tools", there are tabs for "Recently Used" and "Featured". The "Featured" tab is active, and a card for "BAAO (Business Analytics and Award Optimization)" is displayed. The card features a logo of a triangle with a circle inside and the text "BAAO (Business Analytics and Award Optimization)" and "Application enabling Cisco and its partners to proactively manage and". On the right side of the page, there is a "Show More" link.
